STEAKS

Sirloin Steak – a leaner cut of steak high in protein and tastes delicious seasoned well due to its lower fat content

Fillet Steak – a very tender steak muscle which due to its much lower fat content is well seasoned to taste.

T-Bone Steak – a well marbled cut which consists of two lean steaks

Tomahawk Steak – The king of steaks grilled on the bone for added flavour this steak is for the real meat lovers among us. No need for anything but seasoning on this beautiful cut of finest beef.

As well as meat options we can provide Vegetarian and vegan options for the BBQ
