2. Cash Bar Hire

With the cash bar, we will come along and set up our Mobile Bar. We supply an extensive pre-agreed menu with a fair price list. Your guests will then pay for drinks over the bar on a cash basis but please note there is a minimum spend.

Obviously, we need to cover costs so there is a minimum spend of £1000 for each event. You will be asked to leave a deposit which will go towards making up any shortfall. I.e. £857 is taken on the night we will deduct £143 out of your deposit to make a total of £1000. The rest of your deposit is then refunded.

3. Tab with Maximum Spend

This option does what it says on the tin. You pay us what you want to place "behind the bar" once this total is reached we then charge the customers on the same terms as a cash bar basis.

4. Dry Bar Hire We'll deliver and set up the bar for you and you do the rest.

Pictured below is one of our smallest bars. This would suit around 60 guests. We have bars that will serve up to 250+ guests
